

sig\_handler

```
graph LR; A[sig_handler] --> B[cleanup_pid_file]
```

A flow diagram showing a sequence of two operations. The first operation, 'sig\_handler', is contained within a gray rectangular box. A blue arrow points from the right side of this box to the left side of a second rectangular box. The second box is white with a black border and contains the text 'cleanup\_pid\_file'.

cleanup\_pid\_file
